Low prices will sell goods quickly. We are compelled to sell, understand, so we don't propose to let prices stand in the way of converting at least \$10,000 worth of stock into ready cash within a fortnight.

Having made it clear to you WHY we desire to sell the above quantity of stock in the above specified time, we will now proceed to mention some of the goods we will offer Monday and Tuesday and name the prices at which they will be sold. Wednesday morning's papers will give items for mid-week special efferings, and later announcements will prove advantageous to housekeepers, &c.
